

# S&L Cabling Solutions

S&L Cabling Solutions specializes in installing high-quality structured cabling solutions for businesses of all sizes.

S&L's team is committed to ensuring your communication infrastructure is reliable, scalable, and ready to meet your growing needs. Whether you are looking to upgrade your network, implement fiber optic systems, or design a fully integrated cabling solution from scratch, you can trust S&L Cabling Solutions to keep your business connected.

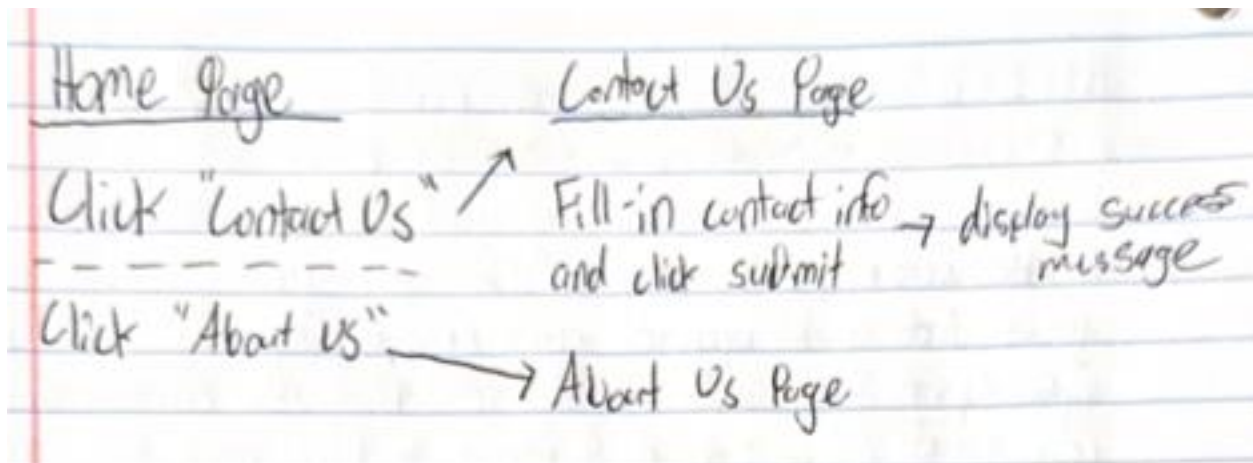

## **Personas:**

1. IT Representative / Manager
2. Maintenance Manager

## **Comps:**

1. 1ab Network Cabling (<https://1abcabbling.com>)
2. Argyle IT (<https://www.argylesg.com/network-cabling-wiring/>)
3. RenTech (<https://www.teamrentech.com/it-services.php>)

Flow:

Simple navigation using the navbar. The user always has the option to select Home, About Us, or Contact Us, taking them to the respective page.

Wireframe:

Note: I plan to add much more style and design aspects, which my dad has access to as it is his business. He has some logos and other images that I will need to ask him for. The “about us” and other slogan-like text will also all likely be changed a little to include things that he would like to put out there.
